Sir:

**RECORD OF TELEPHONE CONVERSATION WITH  
EXAMINER**

Pursuant to the Amendment After Final filed September 2, 2003, applicants submit for the record the telephone conversation between Examiner Gesesse and the undersigned on November 20, 2003. In that telephone conversation, the Examiner indicated that the Final Office Action of June 3, 2003 was a non-final office action, despite the indication of being final on the PTO-326. The undersigned requested an interview summary form from the Examiner stating the same. This letter hereby serves as Applicants' summary of the telephone conversation for documenting the Examiner's statement that the June 3, 2003 Final Office Action was a non-final office action. Therefore, examination will be handled in due course and the six-month deadline for a final action is not applicable.

Respectfully submitted,
